RS Legal Strategy Ltd is a unique one stop shop white collar crime and fraud boutique. Founded in 2016 by two of the UK's most experienced trial lawyers with a track record of successfully defending and prosecuting some of the UK's largest, most serious and complex bribery and corruption, fraud and money laundering cases. Our lawyers have successfully advised and defended major corporations, directors and other individuals facing the gravest allegations.

first-class advice on strategy: to corporates, law firms and individuals on a range of white collar crime issues including bribery and corruption, anti-money laundering, asset recovery, commercial, civil and criminal fraud.

analysts: RSL's expertise scans the globe. Our strategy consultants include experienced trial lawyers, a former member of the judiciary and former law enforcement investigators from senior levels within HM Revenue & Customs. We do not undertake private investigations or provide tax advice.

Our professionals are conflict free, independent and maintain the highest standards of integrity. We work collaboratively with our clients, whether they are individuals, corporates, law firms or business advisory firms and always deliver solutions rather than merely presenting a series of problems.
